

Pet Policy

June 17, 2013

Our current policy is to allow pets with no additional charge or deposit, as long as you are willing to do the extra cleaning involved with having a pet in a cabin. Our cleaner has a limited time to get the cabin ready for the next guests and occasionally it has taken 2-3 hours to clean the couch and carpet after a dog owner visit. We are very careful about having our cabin thoroughly clean, including removing all pet hair for our guests.

We ask that you keep the dog off of the furniture and bedding, do not leave it unattended in the cabin and that all animal waste is picked up from outside walking areas. There are dog mats at the cabin, try to have your dog sleep on a mat rather than the carpets and please vacuum any areas that your dog frequents or has left hair.

Thank you for your cooperation, with your help we can continue to allow pets at our rental.
